

SIMTANK

QUALITY Designed using advance 3D computer design & finite element analysis; Robust design using strong ribs and Aesthetically appealing Superior material which is 100% leak proof; every SIMTANK tested against strict quality standards;

HEALTHY food grade material resists bacteria, fungi & yeasts;

LONG LASTING UV stabilized to last years in the sun; multi-layer;

GUARANTEED 10 year warranty & free replacement for manufacturing defects;

WIDE RANGE 500lt to 20,000lt; value for money & size ltr capacity engraved on Tank and value for money.

EASY TO INSTALL & MAINTAIN lightweight but very strong; threaded lid to close the opening; installation manual on the Tank; rust-proof & low maintenance; built-in socket for inlet and outlet

Strong. Stronger.
